

SENIOR PORTRAITS

Expect the photoshoot to last approximately 1-2 hours as we may photograph at various locations.
We may take up to 200 photos during the session. We will create an excellent portfolio for you to work with.
Bring as many changes of clothing and props as you wish. Autos, instruments, sports equipment, pets, hobby items, etc are all welcome.
We want Senior Portraits to tell the story of who they are during this important moment in their life.
Following the session you are welcome to review the photos and help us rate your favorites. Final purchasing decisions can come later.

\$100 Photography Fee for all sessions - Additional sessions \$50 (some seniors may want a variety of seasonal looks)

**Minimum payment of \$200 due (\$100/session + \$100/products),
per Senior, at time of booking the session to reserve date
